Project Activity Report (PAR)

The Applications manpower data needed for PAR was processed incorrectly within Applications and is in the process of being reconstructed. ODP staff employee statistics were intermingled with contractor employee statistics. This should be resolved shortly and should not impact the processing of the July PAR.

1981 Hard Unfunded Requirement

ODP has identified the development of communications capability, both voice and data, between Headquarters and the CAMS2 development contractor's facility as a 1981 unfunded requirement. In order for OC to meet 1982 deadlines, 1981 funding of \$500K is required. In addition, the costs associated with the relocation of a dedicated computer to support CAMS2 development is also an unfunded requirement. [REDACTED]
